Hello everyone, I'm Yume no Owari.
I'm really thankful to all of you who bought this doujinshi.

This is a full color KanColle doujinshi!

This year I spent a lot of time making kanColle commissions for people; it's pretty much been a KanColle year for me.

At the same time I had to deal with many changes, sudden events, and also successfully challenged many things. It was a good year. Next up it's time to welcome a new year.

Personally, I'm eagerly waiting for the KanColle anime!

With that, I'll see you next time!

Yume no Owari

Good morning/afternoon, it's Satake Yura.
 In the blink of an eye another year has passed.
 I feel as if it's one of those busy years that passes by in a blink of an eye.
 Most of it was under Yume-sensei's slave driving (lol).
 Like you'd expect, Yume-sensei's true loves are the destroyers
 It'd be great if you enjoyed this doujinshi.
 Looking back, it's really been a year of Kancolle.
~~I don't know at what point doujin became a part of my everyday life (lol)~~
 Despite that, i'm still a relatively low-leveled Admiral (lol).
 Then, until next time.

Year 26 of the Heisei era, 12th month, a certain day
 Satake Yura
